SAVE SOCIETY

The enthusiasm for SAVE, Inc’s May 10th Gala, HAVEN: A Way Home, carried right into PRIDE MONTH! The wind in these sails feels strong! Gala supporters showed up in their finery and showed out by more than doubling our fundraising goals! In total with sponsorships, the auction, and fund a need portion of the night we raised \$319,000 to end discrimination in housing and find solutions for people who are unhoused in Kansas City! Thank you to all who participated in the evening and from a far with your contributions. One participant said “It’s the best event we’ve been to all year! The music, the atmosphere, and the MCs were all PERFECT!” Another word of gratitude here to our event chairs Chris Beal and Angela Rizzo for their efforts in creating this successful event!

With Pride Month came over 20 businesses wanting to support Pride Haven through drink specials, portions of sales donated, and volunteers! We are especially grateful to the KC Current who chose Pride Haven as

their Pride Night benefactor! A portion of their Pride Merch Sales and an Auction of their “kits”—player worn pride jerseys, netted us over \$10,000 donation! THANK YOU and thanks to ALL who joined us this year in our effort to sustain Pride Haven. With support like this, we are closer to closing the \$200,000 funding gap we anticipate when our July 1 fiscal year begins.

To those who want to jump on this wave and help us sustain this work, we welcome you! Even if you’ve already given, would you consider contributing from your donor advised fund, making a gift of stock, or becoming a monthly Save Society donor? Would you invite a friend to make a meal for our Pride Haven youth or a small group to come to help us keep our facilities beautiful and dignified for our residents? Thank you for the part you play in saving lives of vulnerable youth and adults in Kansas City.

As always, I’d love to have you come onsite and see our work. An easy way to see us in action is to join us at a Fourth Friday Open House. Enjoy refreshments at 9:30am while we visit about who we are and then enjoy a tour of our facilities. Find more information and let us know you are coming here: www.saveinckc.org!

SAVE Society

For about the cost of lunch at a restaurant, you can help one resident gain and sustain their housing with critical human services and become part of the supportive SAVE, Inc. community.

Consider joining our Save Society with a recurring donation of \$25 per month, per individual that you would like to offer lifesaving, dignified, and compassionate human services.

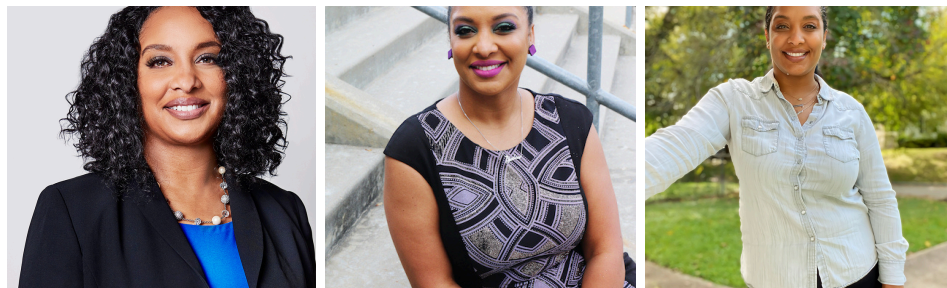

A \$25 gift pays for one-hour of case management to keep our residents on a healthy path and avoid isolation.
