THE NEWSLETTER OF SAVE, INC.

April 2025

FROM PATRICK'S DESK:

Spring Has Sprung

"April showers bring May flowers" the old saying goes. This April we've been showered with opportunities to share the good work of Save, Inc.! It gives me hope that the season ahead will blossom with relationships in the community! SAVE, Inc's work is ALL about relationships, of course. Our relationship with you is both a forest of resources that provide services and of hope and comfort during these challenging times.

We continue to navigate changing priorities in the federal government, from which we receive \$8 million in funding annually to keep over 1,200 people housed each month. We have relied heavily on the hope you give us to grow stronger than ever. Thank you!

We hope to grow our community in the season ahead, with relationships that bloom from introductions to others like you. Help us grow by inviting others who want to bring hope to our team, to the 1,200 people that we serve, and to the thousands more who are unhoused and desiring the path to healthy living that starts with housing.

On Saturday, February 8, Development committee member Izzie Neubauer and Patrick were joined by volunteers Sarah and Mickayla Hunter to form Team Pink Pony Putt! Alongside 400 other "golfers", they participated in the the AIDS Service Foundation's annual AIDS Walk OPEN. ASF was one of SAVE's earliest supporters. While the team didn't take home gold for their putting skills, they did win the highly coveted Best Dressed award with help from hype men Jared Freemon and Issac Caverly who also serve with our board of directors. Thanks to all the players, volunteers, and businesses who made the day a success in raising over \$35,000 to combat the spread of HIV in our community.

More SAVE, Inc. Fun!

SAVE, Inc. AIDS Walk Kansas City 2025

Join the SAVE, Inc. team as a financial supporter to raise money for HIV prevention and care in Kansas City!

Register to join us as a walker on April 26th, 10am at Thies Park. Registration begins at 8:00 am. Stage entertainment and Welcoming Ceremonies commence at 9:00 am. And at 10 am, WE WALK! Its a beautiful short walk around the Nelson-Atkins Museum of Art to raise awareness of the ongoing efforts to combat HIV.

Making an Impact

Our teams are really making an impact on the lives we serve daily. Recently, our Managed Properties tenants pooled their money to get Operations staff a card expressing their appreciation and some donuts! Often, the fixers and cleaners get overlooked for appreciation. NOT AT SAVE. INC.! This may seem like a small gesture, but recognition from those we serve is extra special. This random act of appreciation really meant a lot to our operations unit and we are so grateful for the opportunity to serve!

We received thank you notes from the Kansas City Academy group of elementary students who came on a tour. They are a small and very welcoming school who loved learning about the services we provide to create pathways to housing for everyone.

We love sharing our mission with everyone and are glad to be passing along the vision of equitable housing to the next generation!

Celebrating with Neighbors

We love our neighbors at the Birdsall House! Kelly Raines, owner/operator of Birdsall house, pictured here with Patrick, provides childcare in her facility next door to Alhaven. Kelly was one of our early advocates for building affordable housing in the neighborhood as we were dreaming of Alhaven. Birdsall house celebrated their 10th anniversary this past month, so SAVE, Inc. brought by pastries and coffee to help them celebrate. A BIG thanks to Kelly and her team for all they do for their students and to advocate for our mission.

Volunteers From Knox Presbyterian Church

For their spring break, youth volunteers from Knox Presbyterian Church came to serve! They helped us pick up unsightly trash that collects in our alley in an effort to be good Hyde Park and Longfellow neighbors. With their help we're able to better provide a more dignified place to call home for our residents.

We love having groups come serve with us! Click below to see ways you, your company, or group can get involved to change lives!

CELEBRATING NON-PROFITS! MAY 1ST is 501C DAY

Celebrate with us in person or with a gift.

On April 25th we'll meet at SAVE's Business Office at 3000 Harrison. We'll start out with some history and story telling. We'll then take a 1/2 mi walking tour of the SAVE, Inc. campus, answering questions along the way!
