FROM PATRICK'S DESK:

May Updates

May has brought some great activities at SAVE, Inc. and there are several upcoming events you don't want to miss!

Our Haven Build the Change gala is just around the corner and there is still time for you to get your tickets or a table. Our head count has to be finalized **THIS FRIDAY!** So don't delay any further if you'd like to join us.

Friday the 23rd of May is our monthly open house. We'll meet at The Combine (2999 Troost) for a snack and drink while we hear about Save's programs. Then we'll get our steps in while we take a 1/4 mile walk around our campus to see where our services are offered. Sign up below to let us know you're coming and we'll have enough snacks for everyone!

On June 7, SAVE will walk in the Pride Parade in solidarity with our LGBTQ+ community. If you'd like to walk with us, stay tuned to social media to find out where in Westport to find us that morning. The parade ends at Theis Park and you are encouraged to visit vendors at the festival in the park.

We had a great turnout for the AIDS Service Foundation (ASF) walk last month. I was able to speak alongside the other 2 ASF Primary recipients to offer gratitude and urgency in support to SAVE programs assisting people living with HIV.

Residents and staff went to watch the Royals beat the White Sox recently. These kinds of activities are fun for everyone and we are grateful to the Royals and their community ticket program.

Lastly, we are looking for a new treasurer on the board. If you or anyone you know are interested in the position, please contact me. Someone with CPA experience preferred.

Saving lives together,

Patricia M. Mays
